To whom it may concern,

This letter will formally notify you that as a result of unsurmountable economic challenges, TLI, LLC (dba Teron Lighting) ceased operations and commenced a dissolution under Ohio state law as of January 5, 2026. The company regrets that it has had to take this step but wanted to give you formal notice due to our business relationship.

This letter will also serve to notify you that you may be entitled to present a claim against the dissolved entity in accordance with the attached Notice.

At this time, due to the company's significant obligations owed to secured creditors, we do not anticipate that the company will be in a position to make any distribution to the company's unsecured creditors. However, we are not yet in a position to predict any particular outcome with complete certainty.

TLI values the business relationship it has shared with and we wish you continued success in the future.
